

PRIVACY POLICY

Last updated October 20, 2026

This Privacy Notice for NPSG Global ("we," "us," or "our"), describes how and why we might access, collect, store, use, and/or share ("process") your personal information when you use our services ("Services"), including when you:

- Visit our website at <https://npsglobal.com/> or any website of ours that links to this Privacy Notice
- Engage with us in other related ways, including any sales, marketing, or events

Questions or concerns? Reading this Privacy Notice will help you understand your privacy rights and choices. We are responsible for making decisions about how your personal information is processed. If you do not agree with our policies and practices, please do not use our Services. If you still have any questions or concerns, please contact us at dpo@npsglobal.com.

SUMMARY OF KEY POINTS

This summary provides key points from our Privacy Policy.

What personal information do we process? When you visit, use, or navigate our Services, we may process personal information depending on how you interact with us and the Services, the choices you make, and the products and features you use.

Do we process any sensitive personal information? Some information may be considered special or sensitive in certain jurisdictions. We do not process sensitive personal information.

Do we collect any information from third parties? We do not collect any information from third parties.

How do we process your information? We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. 1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

In Short: We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when you express an interest in obtaining information about us or our products and Services, when you participate in activities on the Services, or otherwise when you contact us.

Sensitive Information. We do not process sensitive information.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short: Some information, such as your Internet Protocol (IP) address and/or browser and device characteristics, is collected automatically when you visit our Services.

We automatically collect certain information when you visit, use, or navigate the Services. This information does not reveal your specific identity but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, and information about how and when you use our Services. This information is primarily needed to maintain the security and operation of our Services and for internal analytics and reporting.

Like many businesses, we also collect information through cookies and similar technologies.

- **Log and Usage Data.** Service-related, diagnostic, usage, and performance information, including IP address, device information, browser type, settings, activity timestamps, pages and files viewed, searches, feature usage, system activity, error reports, and hardware settings.
- **Device Data.** Information about the computer, phone, tablet, or other device used to access the Services, which may include IP address, device and application identifiers, location, browser type, hardware model, internet service provider or mobile carrier, operating system, and configuration information.
- **Location Data.** Precise or imprecise device location, depending on device and settings. You may refuse access or disable location settings, although some Services may then be unavailable.

2. HOW DO WE PROCESS YOUR INFORMATION?

In Short: We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may process information for other purposes only with your prior explicit consent.

- To save or protect an individual's vital interest. We may process your information when necessary to save or protect an individual's vital interest, such as to prevent harm.

3. WHAT LEGAL BASES DO WE RELY ON TO PROCESS YOUR PERSONAL INFORMATION?

In Short: We only process personal information when we believe it is necessary and have a valid legal reason to do so under applicable law.

If you are located in the EU or UK, this section applies to you.

The GDPR and UK GDPR require us to explain the legal bases on which we rely. These may include:

- **Consent.** You have given permission to use personal information for a specific purpose and may withdraw consent at any time.
- **Legal Obligations.** Processing is necessary to comply with legal obligations or cooperate with a court, law-enforcement body, or regulatory agency.
- **Vital Interests.** Processing is necessary to protect your vital interests or those of a third party.

If you are located in Canada, this section applies to you.

We may process information based on express or implied consent. You can withdraw consent at any time. Applicable law may permit processing without consent in exceptional cases, including investigations and fraud prevention, business transactions, legal process, identifying injured, ill, or deceased persons, suspected financial abuse, employment-related records, publicly available information, and approved research or statistical projects subject to appropriate oversight and confidentiality commitments.

4. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

In Short: We may share information in specific situations described in this section and/or with the following third parties.

Mobile Messaging Information. No mobile information will be shared with third parties or affiliates for marketing or promotional purposes. Text messaging originator opt-in data and consent will not be shared with any third parties or affiliates for marketing or promotional purposes.

We may need to share your personal information in certain situations, such as sharing or transferring information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

5. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short: We may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies, such as web beacons and pixels, to gather information when you interact with our Services. These technologies may support security, crash prevention, bug fixes, preferences, analytics, advertising, and basic site functions.

We may permit third parties and service providers to use online tracking technologies for analytics and advertising. To the extent these technologies are deemed a sale or sharing under applicable US state laws, you may opt out as described in Section 11.

Google Analytics

We may share information with Google Analytics to track and analyze use of the Services. Google Analytics Advertising Features may include Demographics and Interests Reporting. Available opt-out mechanisms include Google Analytics opt-out tools, Ads Settings, and industry advertising opt-out tools.

6. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep personal information for as long as necessary to fulfill the purposes outlined in this Privacy Notice unless otherwise required by law.

We retain personal information only as long as necessary for the purposes in this notice, unless a longer period is required or permitted by law, such as for tax, accounting, or other legal requirements.

7. HOW DO WE KEEP YOUR INFORMATION SAFE?

In Short: We aim to protect personal information through organizational and technical security measures.

We have implemented appropriate and reasonable technical and organizational safeguards. However, electronic transmission and storage cannot be guaranteed to be 100% secure. Transmission of personal information to and from our Services is at your own risk, and you should access the Services only within a secure environment.

8. DO WE COLLECT INFORMATION FROM MINORS?

In Short: We do not knowingly collect data from or market to children under 18 years of age or the equivalent age specified by law in the applicable jurisdiction.

We do not knowingly collect, solicit, market to, or sell personal information of minors under the applicable age. If we learn such data has been collected, we will deactivate the account and take reasonable measures to delete it. Contact dpo@npsglobal.com if you become aware of such information.

9. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: Depending on where you live, you may have rights that provide access to and control over your personal information.

Rights may include access, rectification, erasure, restriction, portability, objection, and protections regarding automated decision-making. We will consider requests in accordance with applicable law. Residents of the EEA, UK, and Switzerland may also complain to the relevant data protection authority.

Withdrawing your consent: You may withdraw consent at any time by contacting us. This does not affect the lawfulness of processing before withdrawal or processing based on other lawful grounds.

Cookies and similar technologies: Browser controls may allow you to remove or reject cookies, although doing so could affect features or Services.

10. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and applications include a Do-Not-Track feature. Because no uniform technology standard has been finalized, we do not currently respond to DNT browser signals or other automatic mechanisms. If an applicable standard is adopted, we will describe that practice in a revised notice.

11. DO UNITED STATES RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?

In Short: Residents of certain US states may have rights to access, correct, copy, or delete personal information and to withdraw consent, subject to applicable limitations.
